

**LINCOLN VULCANS SWMMING CLUB
AGM 2018**

TREASURERS REPORT

FINANCIAL YEAR END 30TH SEPTEMBER 2018

This year I must report a net loss over income of £5,915.00 for the year end accounts.

This is due to increased costs of pool-hire due to the replacement pool time following the closure of Waddington and the increased costs for land work sessions, along with the general administration of the club.

This will be my final AGM as club treasurer and I wish the club continued success.

I will be pleased to answer any questions regarding the accounts if I cannot answer tonight I or my successor will respond in writing.
